VINE SEEDS
SEED CORN

WHOLESALE GROWERS

WATERLOO, NEBRASKA

_____ 1904.

To _____

THE prices herein quoted are for early orders, and subject to change without notice after ten days from date. If our supply of planting stock of any vine-seed item becomes exhausted, we can only accept further orders for such item conditional on stock being furnished by customer, at rate of four pounds for each 200 pounds ordered, such stock to be charged our account at net contract price. Will plant other standard varieties not herein listed, if planting stock is furnished by customer, as mentioned above, and quantity ordered is 200 pounds or more.

TERMS OF PAYMENT

VINE SEEDS. Draft payable (with exchange) sixty days from date of shipment, to be accepted and sent us promptly upon receipt of each invoice and bill of lading. If such draft is not promptly issued as stated, then each invoice becomes due in thirty days from date, without discount.

SWEET AND FIELD CORN. Net cash thirty days from shipment.

CONDITIONS

Goods delivered as early after harvest as they can be properly cured and fitted for market. In event of short or unmarketable crops, or failure upon the part of our growers to deliver us contracted crops, deliveries will be made pro-rata, and without responsibility on our part for such shortages and failures. We also disclaim responsibility for loss or damage by fire or other unavoidable accident to stock while in our possession or in the hands of our growers.

We exercise the utmost care to have all seeds pure and reliable, and of such quality as will be thoroughly satisfactory to our customers, but we give no warranty, express or implied, as to description, purity, productiveness, or any other matter connected with the seeds we send out, and will not be in any way responsible for the crop.

Quotations are made for wholesale quantities only, and do not apply to very limited amounts of Standard varieties.

Deliveries are made f.o.b. cars at Waterloo or Valley, Nebraska, at Waterloo rate, and our responsibility ceases on delivery to carrier in good order, properly consigned and receipted for.

Bags charged extra, at wholesale cost to us. Second-hand bags and special brands not accepted for use.

Claims for overcharge or shortage in weight must be made within ten days after receipt of goods.

All bills and accounts are payable in funds at par Omaha.

Varieties of white field corn grown in this locality are apt to contain occasional grains tinted with yellow; these cannot be detected until after shelling, and can only be removed by hand-picking. We are prepared to furnish handpicked stock when desired, but when "handpicked" is not specified, it is understood that we quote the usual quality from which the bulk of our sales are made.

Corn is packed in bags of two bushels each, with tag and label denoting variety only.
